Dear Sir:

The documents cited in the Search Report mailed July 4, 1995 for a corresponding PCT application to the above application are listed in the attached PTO Form 1449. For the Examiner's information, document DE-A-42 07 710 corresponds to U.S. Patent 4,926,992 previously cited herein. The relevance of the documents and the claim number is set forth in the enclosed copy of the International Search Report, with claims 21-31, 2-11, and 32-38 existing in the international application corresponding to claims 1-28 in the above application as originally filed. As copies of the prior art are available in the files of the United States Patent and Trademark Office for parent application No. 08/201,783, no further copies have been provided herewith.

It is Applicants' position that the claims of the present application are allowable over the information previously cited and cited herein, whether taken singly or in any combination.

I, the undersigned attorney, based on information in the file, certify that each item of information contained in the Information Disclosure Statement was cited in a

communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement 37 CFR 1.97(e)(1).

Favorable consideration is respectfully requested.

Respectfully submitted,

John B. Davis et al.
